

KIDS BELONG is seeking sponsorships from businesses and individuals to help us expand this year's Back to School Event!

In 2020 we served 300 kids in Muskegon's foster and adoptive families, and this year we are hoping to do so much more! With plans to serve families through events in Muskegon, Grand Haven, and Holland, we are planning to serve over 600 kids with backpacks and school supplies.

The Back to School Event is one of our biggest events of the year, and it is a tangible way that you can help Kids Belong make a better foster care system! More community support for foster care means stronger foster and adoptive families, and stronger families means better outcomes for foster kids, which makes a better system for everyone!

Kids Belong is a registered 501c3 organization accepting sponsorships as well as donations of school supplies such as backpacks, notebooks, pencils, crayons, rulers, folders, glue sticks.

If your business has another sponsorship idea of items or services to provide to foster/adopt families, we would love to discuss those ideas as well!

Together we are making the foster care system better.
